

Quick Access

Quick Access is a setting in City & County Credit Union's mobile app that gives you a snapshot of your account balances and history using only your fingerprint or a Personal Identification Number (PIN).

PIN Quick Access

1. Log into our mobile app
2. Tap Quick Access in the menu on the left
3. Tap Enable Quick Access
4. Enter and re-enter your four-digit Quick Access PIN

Next time you log into our mobile app, use your Quick Access PIN to easily view your accounts. For your security, a full login is required to make transactions.

Android Fingerprint Quick Access

1. Add your fingerprint to your Android device (Psst: If your phone isn't able to add your fingerprint, you can still set up Quick Access with a PIN)
2. Log into our mobile app
3. Tap Quick Access from the menu on the left
4. Tap Enable Quick Access
5. Enter and re-enter your four-digit Quick Access PIN

Next time you log into our mobile app, use your fingerprint or your Quick Access PIN to easily view your accounts. For your security, a full login is required to make transactions.

iPhone Fingerprint Quick Access

1. Add your fingerprint to your iPhone 6 or newer (Psst: If your phone isn't able to add your fingerprint, you can still set up Quick Access with a PIN)
2. Log into our mobile app
3. Tap Quick Access from the menu on the left
4. Tap Enable Quick Access
5. Enter and re-enter your four-digit Quick Access PIN

Next time you log into our mobile app, use your fingerprint or your Quick Access PIN to easily view your accounts. For your security, a full login is required to make transactions.
