CITY & COUNTY CREDIT UNION AWARDED EMPLOYEE VOICE AWARD FROM QUANTUM WORKPLACE

St. Paul, MN (Feb. 8, 2016) – For the second year in a row, Quantum Workplace, an employee engagement survey company, awarded City & County Credit Union the Employee Voice Award. The Employee Voice Award recognizes organizations nationwide for their success in collecting, analyzing and taking action on employee feedback.

Four years ago, City & County Credit Union partnered with Quantum Workplace and Wipfli Consulting to boost employee engagement. Each year, City & County has utilized the results from surveys and focus groups to turn employee feedback into immediate action plans.

“Shifting culture is no easy task. Among many other things, you need to genuinely care about making your organization a better place to work. With this in mind, we truly value the feedback from all our employees and aim to not only hear them but to take tangible action on their improvement ideas” Matthew Schewe, VP of Member Experience, explained.

With a long term goal of becoming the best place to work in the East Metro, City & County Credit Union is committed to employee engagement. Wipfli Consulting has and will continue to help CCCU achieve that goal.

“Honestly, our Wipfli Partners have been amazing. Seth Finestack and his team challenge us in a positive way,” Schewe explains. “We’re extremely proud that we have won the EVA Award two years in a row, and as the focus groups pointed out, we still have a ton of work to do.”
