Growth Opportunities

INDIVIDUAL DEVELOPMENT PLANS (IDPS)

CCCU believes strongly that your success benefits both you and the credit union. With that in mind, we have instituted *optional* Individual Development Plans (IDPs) – a process that employees direct, in partnership with your manager, to prepare you for professional success.

IDPs do this by:

- Making the most effective use of your strengths and motivations,
- Learning or improving the areas you need to be successful in your role,
- Pursuing the business relevant areas that interest you and will add value to the credit union over time, and
- Creating development action steps that tie to your professional goals and motivations that also energize you while helping you achieve what matters most to YOU!

JOB SHADOW PROGRAM

We are also committed to creating opportunities for professional growth to happen within the company. By growing our employees, we will have a stronger organization due to an increased awareness among staff, increased CU knowledge, and increased morale.

Our Job Shadow Program allows staff to work alongside another person from a different department or role to learn about their job. All employees can participate in exploring the different career paths found at CCCU.

ANNUAL EMPLOYEE ENGAGEMENT SURVEY

Not only do we want our employees to grow in their roles, but we also want to continue to grow and improve as a credit union. We do this by conducting a yearly Employee Engagement Survey. This anonymous survey allows staff to share their opinions on how things are going within the credit union, in their department, and with their manager. We use the results of this survey to make improvements to how the business is run – from the inside out!

Perks & Reimbursements

EDUCATIONAL ASSISTANCE – TUITION REIMBURSEMENT

CCCU knows the importance of continuing education. The Educational Assistance Program provides encouragement and financial assistance to those employees who wish to further their education by completing business-related courses. Any full-time employee with a minimum of one-year of service at the time of enrollment in an approved course of study with satisfactory work performance is eligible to apply for the program.

Part time employees are not eligible.

EMPLOYEE LOAN DISCOUNT

Our employees are important to us at CCCU and having their business with us as their financial institution is, too. For that reason, we are pleased to offer a 0.25% loan rate discount to all CCCU employees when they have their Secured Consumer loans (auto, boat, RV, small rec) or Unsecured Personal loans with us. **We cannot offer this discounted rate on Lines of Credit or Real Estate loans.*

In addition, employees with a new real estate loan (purchase and refinance) will have the 0.75% origination fee waived when working with CCCU. This applies to both primary residences and second homes defined as a vacation home (occupied for part of the year as a recreational home).

CCCU APPAREL ALLOWANCE

Every Friday is a “Casual Day” at CCCU where staff is allowed to wear jeans with a CCCU logo shirt. To help employees stock their closet with branded gear, we provide everyone with a certain dollar allowance each year.

CREDIT UNION LEGISLATIVE ACTION COUNCIL (CULAC) CONTRIBUTIONS

We offer our employees the opportunity to contribute to CULAC, a political action committee set up by the Credit Union National Association (CUNA) to provide financial support to political candidates that are PRO credit union and who will defend credit unions in Congress.

As an incentive for contributing, CCCU will grant a credit union “Casual Day” to employees. There are different levels of contribution that you can choose from which can add one or more casual days to your week!

Credit Union Programs

COMMUNITY FOCUS

City & County Credit Union believes in ‘People Helping People’ and we display this through our many community focused events throughout the year. We offer and facilitate financial education opportunities for students and adults with programs like “That’s Reality!” and our on-line financial curriculum through Banzai. In addition, we offer workshops and “Tip Tuesdays” on our social media channels.

One of our biggest community focused events each year is Impact Day. Since 2014, CCCU has been committed to hosting an all-employee volunteer day when the branches are closed to observe Columbus/Indigenous People Day. Employees are invited to spend the day giving back to the communities we serve, live and work in. In exchange, anyone participating will receive a Floating Holiday to be used on a day of your choosing.

We also grant employees 16 hours to volunteer at City & County CU approved volunteer events.

TEAM IMPACT EVENTS

Our goal at CCCU is to create an engaging, welcoming environment that inspires, includes, and invests in our employees at every level. To help drive this we have formed the Team Impact Committee.

The purpose of Team Impact is to actively engage with employees through fun events, philanthropic activities, and meaningful recognition. Team Impact is run by a passionate group of employees who seek to include all employees and advance the efforts of the ‘People Helping People’ philosophy of CCCU.

EMPLOYEE ADVISORY GROUP

The City & County Credit Union Employee Advisory Group is made up of team members with the task to advance inclusion within the organization. We recognize that each employee’s unique experiences, perspectives, and viewpoints add value to our ability to create and deliver possible service to our members.

PINK MOMENTS

At the heart of every great organization are the people who go beyond the expected to create something truly special. Pink Moments are our way of recognizing those who consistently embody our core values.

TIP JAR

The idea behind CCCU’s Tip Jar is to give our staff the opportunity to provide suggestions on ways to improve processes, communications, or systems. These anonymous suggestions are then evaluated by a team of senior leaders, and when possible, are implemented to increase employee engagement, save money and/or improve our members’ financial lives!
